8 Day Douro River Cruise

On board the Riviera MS Douro Splendour

Oct 18 – 25, 2026

One of Europe's best kept secrets, explore the sleepy villages and medieval towns unchanged for centuries, amongst the breathtaking rolling hills and terraced vineyard slopes of the stunning Douro Valley.

Commencing in the Roman city of Porto, the home of Port wine, Portugal's once wild river Douro has been tamed by locks into resembling a series of finger lakes, adding greatly to the valley's ambience. Leaving behind the Atlantic influenced greenery of the coast, you are soon immersed in a Mediterranean land of olives, vines, and picturesque, medieval hilltop villages.

Our destination is the higher reaches of the valley from where we visit Salamanca - home of one of Europe's oldest universities, two of its finest cathedrals, Spain's finest city square and even the Inquisition! You will adore the away-from-it-all experience and visit some of Iberia's most beautiful medieval towns, monasteries and vineyards, and feel you have been away for months!
